

Denmead Day Care

17th January 2022

Baby Bees

We are builder bees this week! We have been developing our motor skills using play tools, stacking blocks and cups and mega blocks, and have been engaging in lots of sensory play in the Baby Room!

Turtle Toddlers

We are looking at our lovely faces in a mirror and focusing on the different features we can see. We are learning to name the different parts of our face, the expressions we make and the reason why we might make these expressions. We have been working on our gross motor skills and talking about examples of good sharing.

Preschool Penguins

We are learning how to write our names, starting with making our names out of playdoh, drawing in the air and in soft materials, and working our way up to writing it using a pencil. The penguins are doing an amazing job!

General News

As we are sure you have noticed, it is VERY cold outside! Please ensure your child has appropriate and labelled outdoor wear. If you have any spare wellies that you are looking to get rid of, we would be very grateful for the donation.

A reminder that we are holding our Stay and Play sessions the week of the 31st January if you would still like to book in a half hour session with your child and their keyworker!

This week we are celebrating

Ace for being a superstar and helping Amanda tidy up the nursery!
Sienna for fantastic sharing!

Happy Birthday!

Naomi
Hallie
