

Denmead Day Care

4th October 2021

Baby Bees

We are continuing our exploration of all things Autumn! We will be getting very messy with some pumpkins this week! The babies will also be making some autumn themed play doh and discovering new textures and smells.

Turtle Twos

We are spending this week experimenting with colour and mixing them together to see what happens! We will be looking at feelings and what each of these feelings might look like - there will be lots of silly faces in Turtle Twos this week!

Preschool Penguins

This week, we are reading *The Colour Monster* and talking about our emotions and what makes us feel these emotions. We are going to be talking about how different colours can be linked to emotion, and creating mood jars.

General News

We are fast approaching that time of year where all the winter bugs come out of hibernation! Please remember that if your child has been sick, then they should stay at home for at 72 hours since their last sickness, and to still be vigilant for COVID symptoms. If you have any questions, please ask a member of the team.

This week we are celebrating

Imogen for being such a good friend!
Rupert for super listening!
Harriet for trying something new!

Happy Birthday!

Rosie
Cooper
Ellis
