

# Denmead Day Care

11<sup>th</sup> October 2021

## Baby Bees

We are continuing our sensory work involving the world around us, looking at the different changes as we move into Autumn and playing with lots of fun fruit and vegetables!

## Turtle Twos

This week, we are reading *I Want My Hat* and talking about the things that are precious to us and designing our own special hat! We are really looking forward to our tasting session on Friday and learning all about where our favourite foods are grown around the world.

## Preschool Penguins

This week we are reading *I Want My Hat* and talking about our special belongings, and how we feel when we lose things that are important to us. On Friday, we will be celebrating World Food Day and learning all about the amazing different countries and cultures around the world! Please see the letter on Family regarding World Food Day.

## General News

Please make sure your child has a full set of spare clothes, a suitable coat and footwear for outdoors. It has suddenly become quite cold and wet, and we have some children without coats, but we are trying to spend as much time outside as possible to explore the changing environment and make sure the children get plenty of fresh air.

## This week we are celebrating

Josh, Ellis and Alina for washing their hands and getting ready for lunch without being asked!  
Enzo for independently tidying the play area and making it look spotless!

## Happy Birthday!

Amanda
