

# Denmead Day Care

18<sup>th</sup> October 2021

## Baby Bees

We are spending the week learning *Incy Wincy Spider* and spending time exploring outside in the autumn weather. We will be playing with lots of toy bugs to introduce us to Spider and his friends.

## Turtle Twos

We are reading *Each Peach Pear Plum* and learning about why it is important to be patient and wait our turn! We have been playing lots of turn-taking and sharing games to practice our patience skills.

## Preschool Penguins

We have been reading *Handa's Surprise* and learning about a new culture in a different country. We have talked about healthy eating and foods and vegetables that are good for our bodies, and even tasting some of these delicious fruits and vegetables!

## General News

There are a lot of nasty viruses still making the rounds. Please ensure that you maintain an open conversation with us about illness and follow the policies if you or your child are unwell. We ask that children are off for 72 hours following their last bout of sickness or diarrhoea, and to remain vigilant with symptoms of Covid 19. We have a couple of vulnerable children at our nursery and school settings, so it is vital that we are aware of any sickness going around, and children are at home if they are unwell.

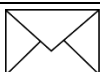

## This week we are celebrating

Lily M for trying all the food during World Food Day!  
Leo for being super confident when coming to nursery!

## Happy Birthday!

Koa  
Ace  
Theo
