

Denmead Day Care

8th November 2021

Baby Bees

We are continuing our seasonal sensory work as the weather creeps into Winter and exploring the outside area to see what noises and textures are new to us this time of year.

Turtle Twos

We are reading *Brown Bear, Brown Bear, What Do You See?* and discussing different colours in the world around us and looking at how we can mix colours together to make new colours! We will also be going on a colour scavenger hunt around the nursery and our outside area.

Preschool Penguins

This Wednesday is National Science Day! We will be conducting fun scientific experiments as part of our Understanding the World development. Do you know any amazing scientific facts that you can share with us?

General News

Next Friday (19th November) is Children in Need Day! We are asking the children to dress in their comfiest pyjamas as part of our celebration, and we will be engaging in lots of exciting fundraising activities throughout the day. Please keep your eyes peeled for information around the nursery and more details being sent out this week!

This week we are celebrating

Emma for fantastic singing during circle time!
Rupert for amazing sharing and helping!

Happy Birthday!

Austin
