

# Denmead Day Care

22<sup>nd</sup> November 2021

## Baby Bees

We are developing our early motor skills through art and craft as we start to get ready for Christmas! We will be doing lots of rhyme time activities and singing number themed nursery rhymes this week!

## Turtle Twos

We are reading *The Stick Man* and making our own stick men from resources we have found on our autumnal walk around the grounds. We are going to see if we can spot the Stick Man on our adventures! Please make sure your child has appropriate outdoor wear.

## Preschool Penguins

We have also been reading *The Stick Man* and looking for the Stick Man family in the woods! We have been developing our motor skills by drawing the stick man and his family.

## General News

Thank you all for your support for Children in Need. We raised an amazing £66.13! We are starting a new recycling initiative at nursery in the next few weeks to help support our local community and develop our children's understanding of protecting the environment, as part of their "Around the World" topic. If you have any batteries, empty ink cartridges and clean crisp packets, you can now recycle them at the nursery!

## This week we are celebrating

Cooper for being super helpful at tidying up time!  
Leah for playing so nicely with her friends!

## Happy Birthday!
