

Denmead Day Care

20th September 2021

Baby Bees

We are enjoying lots of craft this week! This will involve messy play, sensory exploration with different materials, early mark making and creating playdoh.

Turtle Twos

We are reading *The Day the Crayons Quit* and looking at what makes a good friend. We will also be spending the week developing our motor skills and engaging in role play activities.

Preschool Penguins

Next week is National Recycling Week! We would love to see photos of you doing some super recycling at home, please upload them to Family if you can. In the nursery, we are also reading *The Day the Crayons Quit* and looking at colours and emotions.

General News

We loved having our parents and carers in this week for our stay and play sessions, the children especially! We understand that due to working circumstances, not all parents could make it in, so our plan is to have a week of stay and play at least once a term. We will let you know our next date soon so you can book a time to come in 😊

Please make sure your child has a spare set of clothes in and that these are all labelled! This week, a form will be sent to you about updating your personal details. If any of your details have changed, please complete the form as soon as possible and return it to us, either by email or when you come into nursery. Thank you!

This week we are celebrating

Ziggy for fantastic listening!
Tommy for being such an amazing friend!

Happy Birthday!

Charlie
Winnie
