

# Denmead Day Care

27<sup>th</sup> September 2021

## Baby Bees

We are doing a lot more sensory work involving the world around us, looking at the different changes as we move into Autumn and starting early motor skill work using seasonal fruit and veg!

## Turtle Twos

We are reading *The Squirrels Who Squabbled* and using the book to talk about friendship, solving problems and how our local environment changes in Autumn. We will also be learning about squirrels and other wild animals that may live in our local area and going on a learning walk with the Penguins to spot as many woodland creatures as we can!

## Preschool Penguins

Next week is Space Week! Can you find out a fun fact about space? In the nursery, we are talking about our grandparents and what makes them special to us, as next Monday is Grandparents Day! We have been spending lots of time outdoors continuing to explore the changing world around us.

## General News

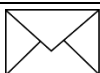

We can't quite believe we're nearly in October! The weather continues to be unpredictable, so please remember to send in a change of clothes and appropriate outer wear. If you can provide a pair of wellies that can stay here, we would be grateful.

### This week we are celebrating

Lily W for being a kind friend to another Baby Bee!  
Our newest members for settling in so brilliantly!

### Happy Birthday!
