

Denmead Day Care

24th January 2022

Baby Bees

This week, the babies have been redecorating their space to make it even more comfy and cosy! We have been playing with lots of role play themed toys, including kitchen play and play tools.

Turtle Toddlers

We are focusing on the importance of dental hygiene and practising our teeth brushing skills. We are looking at all the different parts of our mouth, discussing the names of our teeth and why it is so important to practice good dental health!

Preschool Penguins

This week, we are spending lots of time outdoors exploring the natural environment around the nursery. We have been wildlife spotters and tree specialists! Ask your children what animals they spotted on their walks!

General News

This Friday is International Lego Day, so we will be spending time making amazing new creations with the nursery Lego. If you have any brilliant creations at home that you would like to share, please take a photo, and upload them to Famly!

A reminder that we are holding our Stay and Play sessions the week of the 31st of January if you would still like to book in a half hour session with your child and their keyworker!

This week we are celebrating

Roxy, for such amazing listening and being a brilliant role model!

Tommy for helping Robyn with SO many jobs around the nursery!

Happy Birthday!

Reuben

Cody
