

Outdoor Play Policy and Procedure

Outdoor play is an important part of our curriculum. Children have the opportunity for fresh air and physical activity daily throughout the year.

Clothing

We encourage parents to provide children with a bag containing a spare set of clothing that accompanies them each session. Children will be required to wear appropriate clothing to participate in outdoor activities. If clothing is not provided, then children will be restricted from certain activities e.g., water play. Children will still be expected to participate in outdoor activities even without a coat.

Activities and equipment.

We have a variety of outdoor equipment which can be accessed daily. The equipment is not left out, due to us using a public park as our garden space.

Equipment includes bikes, scooters, balls, climbing/balancing crates and beams, balls, and bean bags.

The equipment is stored safely in a secure container and accessed at the beginning of each session. Staff will ensure that all equipment is clean and safe to use daily.

The outdoor environment offers opportunities for exploring natural materials and habitats and is used daily.

Wrap Club Only – children will not be permitted to use the monkey bars at any time.
